Rabbi Leo M. Abrami

SHABBAT YITRO

"The meaning of the Sabbath is to celebrate time rather than space. Six days a week we live under the tyranny of things of space [in the world around us]; on the Sabbath we try to become attuned to holiness in time. It is a day on which we are called upon to share in what is eternal in time, to turn from the results of creation to the mystery of creation, from the world of creation to the creation of the world." Abraham Joshua Heschel

"More than Jews have kept the Sabbath for generations, it is the Sabbath that kept the Jews as a community of faith." Ahad Ha-am

"We should disregard the laws of the Sabbath for the sake of saving a person's life, so that this person may observe many Sabbaths." Talmud

That is why a physician is allowed to do everything that is necessary on the Sabbath to save the life of a person. "Piku-ah' nefesh doh'eh et ha-Shabbat."

If anyone wants a name listed for a mishebeirach, please call the office by Wednesday of the week and the name will go into the bulletin for that week.

A prayer for healing can be said at any time and does not require a minyan. The Amidah (page 113 in Siddur Sim Shalom) shows a format that can be used: "May it be your will, Lord our God and God of our ancestors, to send perfect healing, of body and soul, to _____, along with all others who are stricken".

George Allen, Ailene Barkhoff, Ricki Dishler, Melissa Engber, Peter Gottlieb, Thomas Hannagian, Evie Martinez, Adrienne Flisser, Howard Marshall, Michael Newman, Joan Rothfeld, A. David Silverman, Marcia Turkiewicz, Esther Weiner

We wish "Refuah Shelemah," a speedy recovery to Congregants, family and friends who are ill. We encourage you to call or visit with them and wish them well.
