**SHABBAT HAGADOL**

The Shabbat which precedes the Passover Holiday is called "Shabbat Hagadol" for the following reason. We read on this Shabbat a Haftarah taken from the book of Malachi which states:

"See, I will send the rophet Elijah to you before that great and dreadful day of the Lord comes. He will turn the hearts of the parents to their parents; or else I will come and strike the land with total destruction." (Malachi 4:5)

The "great and dreadful day" is referred in Hebrew as "Yom Ha-Gadol".

From this verse, our Sages have also derived a special meaning and a custom that has become part of the Seder ritual. In addition, to the four cups of wine, we pour a fifth cup, the cup of Elijah, who will usher in the establishment of the Messianic era, an era of peace and good will for all humanity.

If anyone wants a name listed for a mishebeirach, please call the office by Wednesday of the week and the name will go into the bulletin for that week.

A prayer for healing can be said at any time and does not require a minyan. The Amidah (page 113 in Siddur Sim Shalom) shows a format that can be used: "May it be your will, Lord our God and God of our ancestors, to send perfect healing, of body and soul, to \_\_\_\_\_, along with all others who are stricken".
