

Let's Be Healthy Together!

On behalf of Life Line Screening and your Health Service Coordinator, we thank you for welcoming us to Beth Emeth Congregation.

We appreciate your help and value your support. In recognition of your valued support, we are pleased to introduce a new "Community Circle" program, specifically designed to ensure that our screening site members, community partners, along with their family and friends receive the VIP treatment they deserve.

To register for our new program, we have created a special Community Circle webpage. This webpage page will provide ease and convenience for pre-registration for preferred appointment times, elite discounted pricing, educational information, videos and testimonials to help members determine the screenings that would be most beneficial to them.

To ensure your members receive all of the benefits of our new "Community Circle" program, we have included a brief announcement which can be used in newsletters/bulletins/on websites or to simply share with members, family and friends through social media.
