

Troop 921 Color Guard

The Alexandria Academy and Beth Emeth Congregation would like to express our appreciation to all those who participated in our Program Honoring Veterans that was held on Sunday November 7th.

The program was live streamed across the country and internationally, as well as being taped for educational purposes. A big shout out to Mike Ford for arranging the Color Guard from Troop 921!

Four of our 10 speakers included David Boyer a 97 year old, well decorated WWII Veteran, Herb Leibovitz a three time Purple Heart recipient during the Korean and Viet Nam wars, Amanda (Sam) Conley a Brigadier General serving in Iraq and Afghanistan, and Rosemary Abrami who read excerpts from her husband's book about being a Hidden Child during WWII. We learned amazing facts regarding the Fly Girls (women pilots) and the devastating effects of Agent Orange. Each of the 10 speakers had a unique story to tell and were greatly appreciated!

The Program also included viewing a sample of the beautiful quilts that are presented to veterans that have served in combat, made by the Palo Verde Patchers, a fashion show of vintage dresses and aprons from the 30's-40's, and displays of memorabilia. Thank you Eileen Evans our pianist. It was a meaningful day. **Thank you to everyone that participated and made this special day possible!**
