

Beth Emeth's Yom HaShoah Program 2023

Thank you to Dr. Ruth Callahan

For her interesting presentation
on Hartheim Castle!

We had a large turnout for this
interesting and thought provoking
lecture! A candle lighting ceremony
preceding the lecture and it was
followed by poetry from a survivor, the
passing out of Yahrzeit candles to take
home, and the singing of Hatikvah!

Thank you to Andrea for
sharing her amazing photo
album. The photos were made
from glass plates containing
photographs taken from
Hitler's personal photographer.
Andrea's friend worked in the
photo shop in Germany.
