

More Ikebana Photos

Select a vase or base

Measure the length

Build your triangle, first stem is the tallest, second is at a 45 degree angle and shorter!

Cut the stem under water !

Flower leans to greet you

Simplicity

Non traditional

Add the additional flowers
fill in with foliage

Poke and loop leaves
for character

Our turn to play with the
flowers

Barbara Cline examines
the arrangement

Joan Rothfeld

Leah Tarnor & Barbara
Bennett

Natalie Morrison

Also present Sharon Rothzeit & Rita Wachs

And yummy treats and tea

A truly wonderful afternoon
