Dan Fellner,
photo journalist from
ASU delighted those in
attendance with a fun
and informative
presentation about
synagogues around the
world.
Dan also shared travel
tips and delightful
stories!

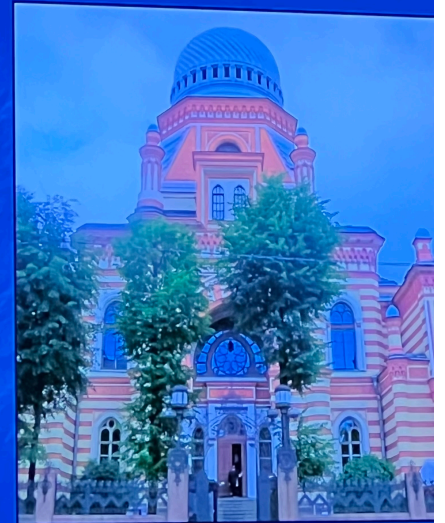

Just a few of the beautiful Synagogues that Dan told us about

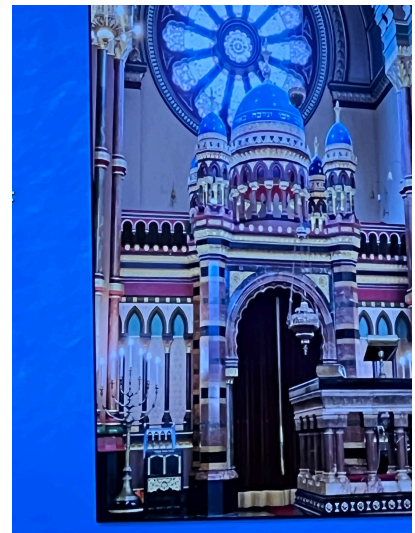

Seats 3,000 worshippers

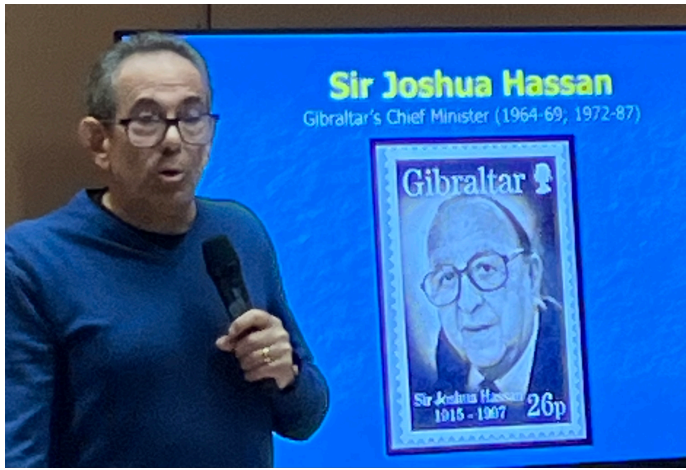

Saint Petersburg's Grand Choral Synagogue (1893)

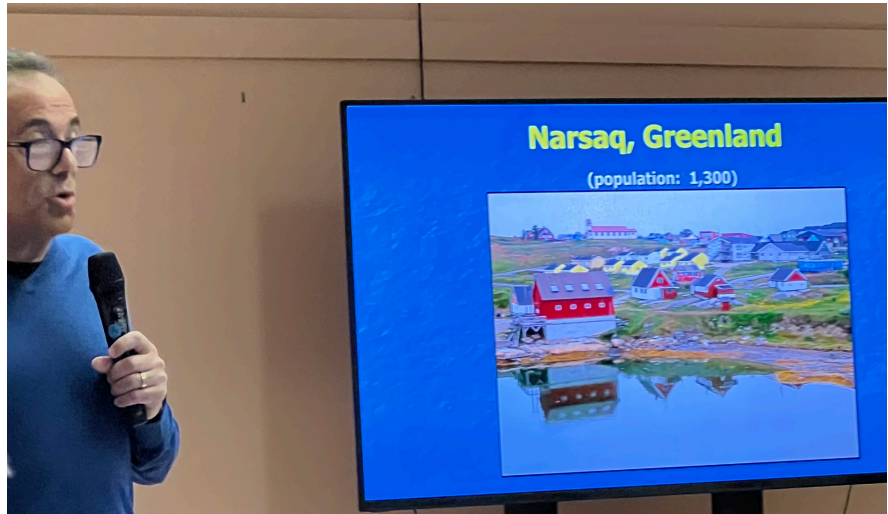

Princess Road Synagogue (1874)

We Traveled from continent to continent, north to south and back up north again, learning little know facts. Did you know that Sir Joshua Hassan was the first Jewish Minister in Gibraltar? Did you know that there is a Chabad in Iceland?

Paul Cohen, is the Jewish resident of Greenland. He has lived there over 20 years.
