Please pass this on to the other tournament volunteers.

Thank you so much for the beautiful antique mah jongg set. It is beautiful and I will treasure it always.

It was a joy working with all of you. I look forward to next year's endeavor. I will help again, but on one condition: no gift please. I greatly appreciate your generosity, but I run these tournaments out of love: for the game of mah jongg, but more importantly for the joy of helping raise funds for such a worthy organization.

Thanks again (as I sit here munching delicious baked goods)!  
Johanna
