

A Farewell Tribute to Irene Lehrer

On behalf of Sisterhood I want to extend our very best wishes to Irene Lehrer as she moves on to the next chapter of her life. She will be greatly missed! Her new community will be blessed to have her. Irene is a treasure! Her positive can do attitude and optimism are inspiring.

I could always count on Irene to help regardless of the task. Fruit platters were her specialty and always gorgeous. Taking over ordering the Mah Jongg Cards was a tremendous help and her efforts brought in significant funds yearly.

Likewise, I tried to always be there for her. Helping her with the Film Festival was a delight. She always taxed my creativity, from centerpieces and table decoration to food items I never heard of, like a Charlotte Russe. What fun we had!

On a personal note, I treasured her being my walking partner and our breakfasts together. She was my confidant. She always extended a listening ear. We were there for each other's losses and celebrations.

I can't say good bye but rather L'hietraot dear friend! Ketzi Toney
